Building the future™

To Whom It May Concern:

We certify that CEMEX Broco Stucco Cement, when shipped, complies with the requirements of ASTM C 91, Standard Specification for Masonry Cement, for Type S mortar and complies with the material requirements of ASTM C 926, Standard Specification for Application of Portland Cement-Based Plaster.

We recommend that contractors using our products follow the mixing and application procedures outlined in ASTM C-926.

Sincerely,

Christopher Britt
