Certificate of Compliance
Quikrete Cement, formerly Argos, Florida Super Stucco

October 16, 2026

This is to certify that each bag of Quikrete Cement Super Stucco Cement as manufactured by Quikrete Cement at its Newberry, FL plant conforms to the requirements of ASTM C1328, "Standard Specification for Plastic (Stucco) Cement". Florida Super Stucco also complies with all of the requirements of ASTM C91, Standard Specification for Masonry Cement.

Quikrete Florida Super Stucco meets the requirements of the Florida Building Code for materials to be used for stucco. It is granted product approval under Rule 9B-72 "State Product Approval", Section 9B-72.030(1) *"Prescriptive. Products that have prescriptive specification standards and are manufactured under quality assurance procedures as specified in the Code will be deemed approved."*

Quikrete Florida Super Stucco conforms to the requirements of ASTM C926, Standard Specification for Application of Portland Cement-Based Plaster for the application of full thickness portland cement-based plaster for exterior (stucco) and interior work.

Limited Warranty
Quikrete warrants that Quikrete Cements meet applicable ASTM requirements. Quikrete makes no other warranty, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY of merchantability or fitness for a particular purpose, ALL OF WHICH ARE EXPRESSLY DISCLAIMED. Having no control over their use, Quikrete will not guarantee finished work in which these products are used.
