Certificate of Compliance
Quikrete Cement, formerly Argos, Florida Super 'n' Sand Stucco Mix

October 16, 2026

To Whom It May Concern:

This is to certify that Quikrete Cement, formerly Argos, Florida Super 'n' Stucco Mix is a factory blended high-strength stucco mix proportioned to meet the property specification requirements of ASTM C926 "Application of Portland Cement-Based Plaster".

Quikrete Cement Florida Super 'n' Sand Stucco meets the requirements of the Florida Building Code for materials to be used for stucco. It is granted product approval under Rule 9B-72 "State Product Approval", Section 9B-72.030(1) *"Prescriptive. Products that have prescriptive specification standards and are manufactured under quality assurance procedures as specified in the Code will be deemed approved."*

Florida Super 'n' Sand Stucco Mix contains Florida Super Masonry Cement, meeting the requirements of ASTM C1328 "Plastic (Stucco) Cement" and ASTM C91 "Standard Specification for Masonry Cements" and Stucco sand meeting the requirements of ASTM C897 "Aggregate for Job Mixed Portland Cement Based Plaster". Quikrete Super 'n' Sand Stucco Mix also meets ASTM C270 "Standard Specification for Mortar for Unit Masonry".

Limited Warranty
Quikrete warrants that Quikrete Cements meet applicable ASTM requirements. Quikrete makes no other warranty, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY of merchantability or fitness for a particular purpose, ALL OF WHICH ARE EXPRESSLY DISCLAIMED. Having no control over their use, Quikrete will not guarantee finished work in which these products are used.

Sincerely,
